> Member of the Month:

Clovie Cyr

Clovie joined HRC in 2012 when he moved to the West end of Orangeville from Georgetown. He is very involved in racquet sports at HRC. He plays in the Squash House League, Round Robin and T&D as well as some tournaments. Clovie played Tennis Singles on Wednesday nights and Doubles on Thursday nights before a shoulder injury and has recently started playing again in the last 2 months. HRC has given Clovie the opportunity to play a sport he loves while meeting a great group of people in the community. He continues to work on his fitness but says the club keeps him active and motivated to become a better player in squash as well as tennis. **Keep up the hard work and determination Clovie!**
